

Welcome

Welcome to this, the first GreatSecret.Org Newsletter. We will be publishing more newsletters from time to time to keep you up to date with news about events, our work and our research into God's wonderful Word. We want to let you know how we are doing in the ministry of making known the revelation of the Great Mystery, the Great Secret that was first given to Paul, the Apostle.

Resources

We are developing the Resources page on the website www.thegreatsecret.org

On the "Resources" page, you will find various articles, the newsletters and many audio teachings on the Great Mystery, the Great Secret. The audio teachings are in MP3 format. You can either listen online or download. The teachings are actually "the preaching of Jesus Christ according to the revelation of the mystery" (Romans 16:25). They are provided for your growth in the grace and knowledge of our Lord Jesus Christ.

We add to the list of teachings on a weekly basis, so do revisit the page to hear or download the latest teachings.

Volume Two of the Book

The second volume is already in the making and will be published in the future. Previews of some of the chapters will shortly be made available on the www.thegreatsecret.org website.

Volume Two goes much further into the depths and riches of the Great Mystery, the Great Secret. We will look at such things as the fulness of God, the difference between mystery and kept secret, the out resurrection from among the dead, the temple of God, the future of the Great Secret, Ambassadors of the Great Secret, as well as the Adversary's parallel "Mystery of Iniquity".

The Great Mystery Class

Over the coming months, we will be recording a teaching series entitled "The Great Mystery Class". Sessions 1-3 have already been recorded and are available on the Resources Audio page on the website. The class is based on Volume One of the book "Unveiling the Great Mystery of the First Century Church" and also includes further information not contained in the book.
